CLUB OF BRANDON

Brandon Kiwanis Club Bulletin

Meeting of April 12th, 2022

The planned speaker for this meeting had COVID and was unable to appear. We had a mini business meeting as a substitute.

Business: Brief Impromptu Meeting of April 12th

The highlight of the meeting was our farewell to Roger Bright who has served as secretary and Kar Derby Chairman for many years. Roger is leaving for Winnipeg shortly and we will all miss him greatly. All the best Roger!!

Below are pictures by Reg and Hugh of our recognition by the club for his excellent service.

There were a couple of short reviews of the Playground developments and the Bike Auction plans.

Frank reported that West Bran was working on the picnic tables for the two playground shelters and would start on the shelters themselves when the frost was out of the ground. The official opening that had been hoped for early June would have to be set back to late June (maybe the 25th) so more would be completed. Last meeting he had reported on the bike racks, additional playground equipment and the Kiwanis Logo as well as the signage. He had also reported then that another work party would be scheduled for installing the extra equipment.

Keith reported on the Bike Auction schedule. Transport to Keystone Curling Rink from Peoples on Friday 29th loading at about 3:00PM. Auction at Curling Rink on the Saturday 30th. We usually get into position about 8:30AM on auction day for a viewing start at 9:00AM. Keith and crew have banners up advertising the event as well as radio and soon some paper media coverage. Please spread the word on Facebook or wherever you can. We do have some buyers from Winnipeg and Rosburn as usual. There will be about 130 bikes and the club voted to continue the pizza lunch at the end of sales. He has established the preliminary duty roster that will be circulated.

There was a request to create a members list that has the names of Kiwanis wives/husbands included as there used to be. That is underway.
