#### Meeting of March 22nd, 2022

**At the meeting of March 8th** our speaker, Deirdre Chisholm, spoke on the Art Gallery of Western Manitoba. During her talk she provided a link to information on the membership giveaway that the Art Gallery is having to help recover membership after the losses during the COVID shutdowns. They are giving 350 free memberships and this link makes it easy to apply on-line for individual or family memberships.

**Business: Meeting of March 22nd** (20 present and 2 Zoom)

*Shirley Scott was appearing as our new club secretary. Thank you very much Shirley.*

Neil Murdoch was present as a guest to become a new member. Neil's father Ian was a long time member and Neil was frequently at the Koffee Klatch we held in the mornings downtown before the COVID problem occurred, so he was well known to many of us.

**Treasurers report.** Frank as temporary treasurer reported in Reg's absence. We are supporting the Fiddlers Competition at the Fair now that they are running again. This was a long standing item in recognition of our former long time member Doug "Sarge" Meadows.

**Bike Auction.** Keith and his committee reviewed the advertising arrangements for the Bike Auction on April 30th. The bike transfer from Peoples to the Keystone curling arena will be on the 29th. Gardwine will be at Peoples front door and we will need to have a crew there about 3:30PM to load the bikes. There will be a presorting session at Peoples on April 9th. I will distribute more information on the time of the presort shortly before the event.

**East End Playground Report.** Frank gave an update on the Playground. There was additional money available and more equipment has been ordered. A work party will be convened early in May for installation. A Kiwanis logo will be painted on the rubber surface. West Man will finish the shelters and bike racks will be installed. There is to be a sharing circle. June 4th is set for the opening but that date may get adjusted yet.
