## CLUB OF BRANDON

### Brandon Kiwanis Club Bulletin

#### Business Meeting of May 24th, 2022

1) Memorial Service for Orton Anderson June 9th at 1PM at First Baptist Church.

**There are two major extended items for your attention. First is the playground report and second is a special request from Tony that our members think about the items he has listed after the playground report.**

#### **1) Playground Report and Work Schedule**

Frank sent an email to cover the work parties he and his committee are organizing to finish the East End Playground next month. The plans were presented and discussed at the meeting.

1) we will have two work days and we need some help from the club

**On May 31 at 9:30AM unloading and repacking at Reg's**

**On June 1 And on June 2 -**

On June 1 we will dig holes and cement in the new structures start at 9:00AM?

On June 2 - after the 24 hours of cement curing - we will complete construction of the new structures 9AM again?

*On June 1 we will need people to bring shovels and a couple of wheelbarrows*

*On June 2 we will need people to bring some cordless drills , etc.*

Lastly the Grand opening will NOT happen on June 4 as originally planned. We are waiting to hear from Warren Enns at Westbran training as to their plans for completion of the shade shelters/pavilions - and once we have that knowledge we will plan the grand opening so the social committee will have to bear with us for a while longer. The social committee, represented by Cec, discussed with the club at the meeting preliminary plans for the opening. One item is whether hot dogs etc would be free for the neighbourhood children in attendance.

## **2) Tony has the following special message**

The executive committee wants input from our members on the following topics:

1-President elect. My position as president ends September 2023 and we need someone to step-up to replace me. I'll coach the new member into the position

2-Kar-Derby. Due to COVID we cancelled the event for two years. Now that COVID restrictions have been lifted, should we continue the event next year or replace it with our coupon book sales?

Could our members please think about these topics so that we may discuss them at our next business meeting in June.
