CLUB OF BRANDON

Brandon Kiwanis Club Bulletin

Notice: Doug has scheduled a meeting of the committee working on the Coupon Booklets for next year as well, I assume, as any club members who could help organize. The meeting is for Thursday Sept 15th (tomorrow) at Army-Navy. The time is 1:15PM

I will have a special photography bulletin about the playground opening.

Meeting of June 21st, 2022

The speaker at this meeting was D'Arcy Barker explaining Kiwanis Court, its history, operation and future. Since it functions as a separate entity without reporting to the Kiwanis Club our members often forget about its nature and evolution.

We had a recognition of Hamid and Frank for their amazing leadership on the Playground project. Hamid's vision about the park layout and faith that funding would appear was pointed out by Frank. Frank's own drive and organizational skills were vital in keeping the team at work. They both inspired the club and their committee with their energy.

Hamid, Tony and Frank with recognition plaques.

Somewhat delayed!!! There was a winner of the pool we traditionally hold at bike auctions to guess the total sales figure. Everyone was so wildly wrong that no-one was declared at the time of the auction. Peter picked Darren as the winner since, while his guess was much over the sales figure, it was the closest.
